## **STATEMENT OF OBJECTS AND REASONS**

The Maharashtra Ownership Flats (Regulation of the promotion of Construction, Sale, Management and Transfer) Rules 1964 were framed under the Maharashtra Ownership Flats (Regulation of the promotion of Construction, Sale, Management and Transfer) Act, 1963 and were amended from time to time to give effect and true interpretation to the various provisions of the said Act.

2. The Act and the Rules were made to effectively prevent the sundry abuses and malpractices of the promoters or developers of the properties, which were brought to the notice of the State Government, during the time when there was acute shortage of housing in the several areas of the State. After a lapse of more than four decades, the housing activities have been stabilized to a great extent, though there is a need of continuous control and monitoring of these activities.

3. It has been now observed by the State Government that the said Act and Rules were not effective in protecting the interest of the flat purchasers and the promoter used to avoid the statutory obligation cast on them under one or the other pretext.

4. To protect the interest of the flat purchasers and to implement the spirit of the law certain amendments were done in the Act and a competent authority has been appointed to hear the complaints of the aggrieved flat purchasers and to implement the decision thereof.

5. To implement such amendments in the Act, required amendments are made in the Rules describing the details of the functions of the Competent Authority, procedure to pass necessary order for directing the registrar to register the society or appointment of authorised officer to execute and register the conveyance deed in favour of the applicant/ Federation / Society

or submitting the Declaration which were not carried out by the promoter in spite of making the provisions in the Act and the Rules.

'''

6. The important amendments proposed to be carried out are as follows:

- a) Inclusion of various definitions.
- b) Rules for making the application under section 5,10,11, 13(4) and 13(5) and the court fees to be affixed and the documents to be attached with the application
- c) The manner of hearing the application by the competent authority
- d) Various model forms to be filed before the competent authority and model forms of notice, order, judgment and the certificate to be issued by the competent authority or his authorised officer who would execute the conveyance deed or the declaration on behalf of the promoter/ land owner who have failed to discharge their duties as provided under the Act and the Rules.
